RESOLUTION TITLE (limited to 5 words): SAFE SEX Workers Study Act

BE IT RESOLVED THAT: *(Please print or attach your resolution here. Be concise and use everyday language.)*

The Minnesota Democratic-Farmer-Labor party supports the SAFE SEX Workers Study Act, to require the first ever national study on the health and safety of sex workers, including impacts from SESTA/FOSTA. We urge our endorsed candidates and elected officials to champion, cosponsor and pass H.R.5448 (Khanna) / S.3165 (Wyden).

You may add a brief explanation or your two or three strongest supportive points here.

SESTA/FOSTA and the loss of certain web services have decreased sex workers's safety. Sex workers are frequently among the most marginalized members of our society. SESTA/FOSTA has also lead to a chilling effect on internet platforms impacting sexual education, noncommercial dating and free association, diverse forms of otherwise legally protected free speech.

“ Sex workers have for years been talking about how access to the internet has been an important tool for safety and autonomy. Before FOSTA/SESTA passed, sex workers knew exactly what the impact would be. After the FOSTA/SESTA passed it was sex workers who were forced to live its consequences and have been diligently collecting stories and sharing knowledge and showing the meaning of mutual aid. The SAFE SEX Worker Act is recognition that sex workers should not silently live these collateral consequences but instead be looked at as a valuable voice of expertise and a community deserving of dignity, ” -Kate D'Adamo
